

### King in the `Currant Bun`

18<sup>th</sup> August 2005, London England; -

Litlington, UK Top Fuel Bike rider Ian King makes the mainstream press again this Friday courtesy of an article in Victor Mayhew's motorcycle column in the UK's biggest national `Sun' newspaper.

With a circulation of over 15 million readers, the Sun provides a great opportunity to bring drag racing to a whole new audience.

They also plan a follow up article later this year with Victor riding a bike on the Santa Pod quarter mile. However he still seems to think he will be able to race the 1000hp King Racing machine, as he said `surely it would be OK in just first and second gear only?.....!'

King Racing's next event is the NitrOlympx at Hockenheim, Germany on the 19<sup>th</sup> – 21<sup>st</sup> August 2005.
